RecFi, LLC RV Program FAQs

Insurance

- **Borrowers Listed on Insurance**
 - If there is one borrower on the loan. Only they can be listed as policy holders. A spouse or other person may be listed as an operator only, not a policyholder.
 - If there are two borrowers on the loan both must be listed as a **policy holder**.
- **Deductibles**
 - Max - \$1,000
- **Coverage Amounts**
 - **Must show coverage for agreed value equaling the loan amount, including back-end or ACV.**
- **Loss Payee**
 - We will only accept our VA address listed above as a loss payee address, and if it is not the funding will be delayed until corrected.

Borrower Address and Proof of Residency

- **RV Parks/Campgrounds**
 - We do not finance live aboard units, so the insurance, contract address or borrower's address cannot be listed as an RV park or campground, or the loan will be cancelled.
- **Proof of Residency Requirement**
 - Proof of residency is required on all applications even if drivers license matches address on contract.
 - Accepted Documentation: utility bill, cable bill, credit card bill, full bank statement or mortgage statement. Nothing older than 30 days.

Title/Registration Stipulation for Used Units Only

- This is a required stipulation on all loans that we approve/counteroffer. We will need to see a copy of the previous owner's registration or title to confirm the VIN on all registered or titled collateral. If this is not available, we will need state generated search documentation to confirm the collateral VIN.

Alterations to Contract or Purchase Agreement

- We will not accept any alterations to the printed contract, purchase order or credit application. This includes but is not limited to cross outs, white outs, scribbles, taped on information, etc.. If the contract, purchase order or credit application is incorrect it will have to be resubmitted, not altered.

Approvals/Counter Offers

- Approvals are good for 30 days. After that time period we will need to recheck a customer's credit.
- Income is good for 30 days from date it was checked. After the 30 days an additional paystub may be required.

RecFi Contract and ELT Information

Please use contract where the dealer is located. If that contract is not used the contract will be sent back for revision.
